FILE NO. 21-84-1 RESOLUTION NO. 401-84

(General Obligation Bond Debt Service)

EXPRESSING THE INTENT OF THE BOARD OF SUPERVISORS TO ADOPT A BUDGET WHICH INCLUDES PAYMENT FOR GENERAL OBLIGATION BOND DEBT SERVICE FOR SEWERAGE PURPOSES OUT OF THE GENERAL FUND SURPLUS.

WHEREAS, The Chief Administrative Officer has submitted the 1984-85 Clean Water Enterprise Fund revenue plan for the Department of Public Works and Clean Water Program; and

WHEREAS, the revenue plan includes a proposed 1984-85 sewer service rate schedule; and

WHEREAS the proposed 1984-85 sewer service rate schedule provides for an average increase of 12.7%; and

WHEREAS, the sewer service charge is established at a rate sufficient to satisfy, among various City obligations, the debt service on certain City general obligation bonds; and

WHEREAS, The estimated cost of the 1984-85 debt service on the general obligation bonds for the Clean Water Program is $9,014,000; and

WHEREAS, The increase in the proposed 1984-85 sewer service charge represents an increasing and onerous burden on San Francisco water users; and

WHEREAS, It is estimated that the City will enjoy a general fund surplus for the 1984-85 fiscal year of $130,000,000; and

WHEREAS, The use of $9,014,000 from the general fund surplus to finance the 1984-85 general obligation bond debt service would result in a reduction in the sewer service charge revenue requirements of 2.3% in 1984-85 from 1983-84; now, therefore, be it

RESOLVED, That the Board of Supervisors hereby express its intent to adopt a budget for 1984-85 which includes payment for general obligation bond debt service for sewerage purposes out of the general fund surplus.

(Parking Amnesty)

URGING MUNICIPAL COURT TO IMPLEMENT A ONE-MONTH AMNESTY PROGRAM FOR UNPAID PARKING CITATIONS.

WHEREAS, There are many citizens to whom parking citations have been issued in San Francisco who for one reason or another have not paid them; and

WHEREAS, Those unpaid parking citations, after 30 days, subject the vehicle owners not only to the fine for the parking citation, but also to administrative charges and penalties; and

WHEREAS, After a parking citation remains unpaid for more than 90 days, the California Department of Motor Vehicles (hereinafter the "DMV") places a Hold on renewals of registration of vehicles belonging to that person subject to the outstanding parking citations; and

WHEREAS, Those Holds often discourage owners from renewing their vehicle registration; and

WHEREAS, The growing incidence of unregistered vehicles on the streets of San Francisco reduces revenues available to San Francisco from vehicle registration; and

WHEREAS, Those citizens who have outstanding parking citations tend to continue to disregard the law; and

WHEREAS, Continual disregard of the law undermines the integrity of the legal processes; and

WHEREAS, Many citizens have expressed an interest in clearing their records but find that the penalties have become onerous and they are unable to pay both the penalties and the outstanding charges; and

WHEREAS, The Municipal Court last conducted an amnesty program in 1975 for the previous decennium; now therefore be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco urges the Municipal Court, for the current decennium, to implement a one month amnesty program to forgive the penalties on outstanding parking citations thereby reducing the amount due to an amount equal to the original fine plus administrative fee; and be it

FURTHER RESOLVED, That the Municipal Court is urged to take reasonable steps to publicize the availability of this amnesty program so as to maximize its effectiveness; and be it

FURTHER RESOLVED, That said amnesty program shall be designed to minimize the inconvenience to and burden on the orderly operation of the offices of the Municipal Court while facilitating the clearing of unpaid parking citations; and be it

FURTHER RESOLVED, That such amnesty program shall not require the City to pay any administrative costs or charges resulting from the imposition of DMV Holds; and be it

FURTHER RESOLVED, That the Municipal Court be provided funding necessary to conduct the amnesty program.

WHEREAS, This Board of Supervisors has heretofore adopted Resolution No. 172-84, approving the issuance of industrial development revenue bonds (the "Bonds"), by the Industrial Development Authority of the City and County of San Francisco (the "Authority") to finance certain industrial facilities (the "Project") for Hills Bros. Coffee, Inc.; and

WHEREAS, It is intended that interest on the Bonds be exempt from federal income taxation under the Internal Revenue Code of 1954, as amended (the "Code"); and

WHEREAS, Legislation passed by the House of Representatives of the United States Congress on April 11, 1984 (the "House Bill") would, if enacted in its present form, limit the amount of tax-exempt "private activity bonds" (as defined in the House Bill) which may be issued in any year by all issuers within each State; and

WHEREAS, Pursuant to Section 103 of the Code and regulations and rulings thereunder, obligations issued by the Authority are treated as issued on behalf of the City and County of San Francisco (the "City"); and

WHEREAS, This Board of Supervisors recognizes that if the Authority issues the Bonds and if the United States Congress enacts the House Bill in its current form or enacts similar legislation, the amount of tax-exempt private activity bonds which may be issued by the City may be reduced by the amount of the Bonds; and

WHEREAS, This Board of Supervisors desires that interest on the Bonds of the Authority issued to finance the Project be exempt from federal income taxation; now therefore, be it

RESOLVED, By the Board of Supervisors of the City and County of San Francisco, as follows:

Section 1. The approval of the issuance of the Bonds by the Authority for the Project, contained in Resolution No. 172-84, is hereby reaffirmed, provided that the principal amount of the Bonds shall not exceed $5,000,000, it being understood that the issuance of the Bonds may reduce the amount of private activity bonds under the House Bill as finally enacted, the City hereby allocates to the Authority $5,000,000 of such authorization for the purpose of issuing the Bonds for the Project.

Section 2. The City has not issued, or approved the issuance by any department or agency of the City of, obligations in an amount which, together with the amount of the Bonds approved in Section 1 hereof, would exceed the limitation in the House Bill in its present form.

Section 3. The Clerk of the Board of Supervisors is hereby directed to certify and deliver this Resolution to the Authority.

REQUESTING THE CHIEF ADMINISTRATIVE OFFICER TO URGE THE DEPARTMENT OF PUBLIC HEALTH, CMHS, TO STOP THEIR PLANS FOR CONSOLIDATING MENTAL HEALTH PROGRAMS UNTIL THE CURRENT ADMINISTRATIVE REORGANIZATION IS ACTUALLY IMPLEMENTED AND WORKING, AND UNTIL THE DEPARTMENT CONDUCTS A NEEDS ASSESSMENT STUDY OF THE NEED FOR MENTAL HEALTH SERVICES IN ALL OF SAN FRANCISCO'S VARIOUS COMMUNITIES.

WHEREAS, The Department of Public Health, Community Mental Health Services (CMHS) has, since the 1960's, based the delivery of mental health services on a district system which was originally set up because of Federal mandates which required that mental health services be responsive to differing community needs; and

WHEREAS, Although San Francisco's district system has been very responsive to community needs, over recent years the administrative costs of running this system have become excessive, and organizationally the lines of authority in CMHS have become unclear and caused the administrative support system to become very fragmented; and

WHEREAS, CMHS has considered a reorganization process for approximately six years, however, a formal process did not begin until July of last year when the Finance Committee of the Board of Supervisors held part of the CMHS 1983-84 budget on Reserve pending the completion of an administrative reorganization aimed at reducing administrative costs; and

WHEREAS, The entire process of the reorganization has been very difficult on all parties involved, particularly over the past few months when information on the process began to change from week to week; and,

WHEREAS, The reorganization is not yet implemented; and

/////

WHEREAS, During the course of the reorganization, individual members of the Board of Supervisors, as well as members of the community, have been repeatedly assured by the Department of Public Health that the proposed changes would be administrative and not programatic; and

WHEREAS, Contrary to the above information, the CMHS Management Team is now promoting the consolidation of mental health programs; and

WHEREAS, None of the proposed criteria for consolidation of programs are based on a documented need, but instead are based on perceived management efficiency; now, therefore be it
